(Promotional Department) Det här vinstmailet är bara ett av många och de kan se ut på lite olika sätt. Tillvägagångssätten är dock ganska likartade. Först försöker de vinna ens förtroende. När de lyckats med detta vill de att man uppger sitt kontonummer med motivationen att det behövs för att kunna betala ut vinsten. Varje år drabbas ett antal svenskar av liknade bedrägerier. Det bästa är att helt enkelt inte öppna dessa mail samt att radera dem.
